A Word from the Leadership Team

Greetings from the Whiteland Church of Christ leadership! As the coronavirus (COVID-19) evolves, we have decided to take extra precautions to care for our members. All worship, Bible studies & “extracurricular” activities at the building have been canceled until further notice. Even though our doors are closed, we are still here for you. Whether you need a grocery run, prayer, need something fixed or just want to chat...reach out to us.

Join us online Sundays beginning at 10:30am. Each week we will post a sermon in both audio and video formats. You can access these by visiting our website, Facebook, YouTube or our app.

Stan Davis' uncle, Mitchell Moore – He has an existing heart condition due to an aortic aneurysm; however, about 3 months ago, he was diagnosed with lung cancer. The combination of his health issues, radiation treatments, and immunotherapy, have taken their toll on him and is very weak.

Milton & Anne Hoffman's son & daughter-in-law, David & Lynn Hoffman – David had been fighting cancer and COVID-19 and passed away. Lynn had also been hospitalized but has since been released to go home. (Hoffmans are former members).

Kimberly Hughes & family. Kimberly's aunt, Theresa, lost her husband a few weeks ago due to COVID-19. The same day her aunt was placed on a ventilator due to COVID. Theresa is improving and has been released to go home.

Andy Sutt & Family – Andy's fiancé lost her life last week after a shooting. His brother is being charged with the crime. (Friend of George Hewitt)

Please keep in mind that, although our doors are closed, the work at WCOC continues. We have utilities & other expenses along with missionary work where our financial responsibilities must be met. You can give securely at our website or our church app. On the app, go the menu, select "More" then "Online Giving". When giving online, be sure to select the appropriate fund (i.e. General, Missions or Building). If you would prefer, you may also mail your offering to the church office.
