

Whiteland Church of Christ

Week of April 5, 2020

Loving God · Loving People

Greetings from the Whiteland Church of Christ leadership! As the coronavirus (COVID-19) evolves, we have decided to take extra precautions to care for our members. All worship, Bible studies & “extracurricular” activities at the building have been canceled until further notice.

Even though we will not be meeting together in person, and our building is closed, we are still meeting online. Join us online on Sundays beginning at 10:30am. Each week we will post a sermon in both audio and video formats. From our website, click on the Sermon tab for the latest sermon. A link to the sermon will also be shared on Facebook and Twitter. Once posted, all sermons are available 24/7. Stayed tuned for other opportunities coming soon.

We will keep everyone posted as to when any, and all, activities will resume. As we continue moving forward, if any of you come down sick, we ask that you contact the elders and/or deacons to let us know. God bless you all and we pray that we'll be back together shortly.

We believe in the power of prayer & are a praying family. If you have a need, please let us know at www.whitelandchurchofchrist.com/prayer-requests. You can also email us at prayerrequest@whitelandchurchofchrist.com
