A Word from the Leadership

It was so wonderful to see everyone that showed up to worship in person today! As you feel comfortable getting out, we look forward to more time together. Based on the social distancing guidelines, we were able to open the doors today and will continue do so going forward. For the time being, we will meet on Sunday mornings only. As further restrictions are lifted, we will slowly add additional services/Bible studies and other activities back in. While this is great news, we must be careful and follow the social distancing guidelines. Today we held two identical services. The leadership team has discussed what to do moving forward. We have decided that we have enough room to practice safe social distancing and will only have one service next week. The start time will be our normal worship time of 10:30am. Someone from the leadership team will contact you this week to get a head count of those wishing to attend next Sunday.

As always, if you need us to pray with you, please feel free to contact the leadership team and we will be glad to pray with you as we discuss your needs. We would also like to thank you for your cooperation as we have had to physically distance ourselves during these trying times. God bless you!

Online Worship

For those unable to join us, we will continue offering the online worship option. This will be an ongoing ministry going forward. We will go live on Facebook at 10:30am and the recorded/edited version (what we've been posting) will be available later in the afternoon. So whenever you cannot be with us in person, you will always be able to worship with us wherever you may be. As always, the worship will be posted to all of our social media sites.

Shults Lewis Commodity Drive

Even with the quarantine in place, we are still collecting the following items: shampoo, conditioner, deodorant, body wash & toothpaste. **We have been asked to add paper towels to the list as well.** Items are scheduled for pick up on June 14th. In addition, all monies collected during the commodity drive will be directed to the payment of the milk, meat & fresh produce bill. Email Ronnie@whitelandchurchofchrist.com or call the church office at (317) 535-1625 to arrange drop-off.

Even though our doors have reopened we are still practicing social distancing. We are not passing the collection plates during worship. You may place your offering in the collection plate as you leave the auditorium. As always, you may also continue to give securely at our website or our church app. On the app, go the Menu, select "More" then "Online Giving". When giving online, be sure to select the appropriate fund (i.e. General, Missions or Building). If you would prefer, you may also mail your offering to the church office.

Sometimes I take for granted
The Christian mother who is there.
The mother who has raised me,
Who gave her love and care.

The mother who helped me grow
In a fine, Christian home.
The mother who has taught me
With God we're not alone.

The mother who has laughed with me,
When all was going well.
The mother who has picked me up
The times that I have failed.

The mother I didn't appreciate
Until I was fully grown.
The sacrifices she made for me
As time quickly moved along.

The mother with such Christian faith
That helped me from the start.
The mother who I love and cherish
And treasure in my heart.
