Communion: Eric Wiwczarowski

Scripture Reading: Mickey McDaniel
(Galatians 1:6-9)

Sermon: Isaiah Echols

We currently have 7-8 families for Christmas baskets. A food list and gingerbread children can be found on the oval table in the foyer. The gingerbread children can be used for suggestions when purchasing for the kids. If you know of a family in need this Christmas, please see Angie Turnmire.

Communication

Email carriers are making it more difficult to send out bulk emails. It is easier to communicate via social media & our church app. If you have a smartphone and have not downloaded the church app we encourage you to do so. Visit your App Store, download the ShareFaith App. Once downloaded, search & select Whiteland Church of Christ. Prayer requests, church calendar, audio sermons, recorded worship services and more can be found on the app. Prayer requests shared via the website or app will also be shared to Facebook. For questions with the app, please contact us at info@whitelandchurchofchrist.com.

We will be not taking up an offering during the worship service this morning. You may place your offering in the collection plates just outside the auditorium as you exit this morning. You may also give securely online or by using the church app.

Boyd Parson is having eye surgery on Monday.

Buck and Jill Lafary's family friends, Buddy & Mae Nenedjian. Their son Michael, was in a car accident last weekend. He was ejected and thrown into a field where he remained for over an hour 'til he was found by medics. He has a serious brain injury, internal bleeding and that doctors say if he survives he will more than likely be paralyzed and will not be able to breathe on his own. After some testing this past week they found a little reaction to sounds and pain which is good. They believe the damage is to his right side of the brain resulting in issues to the left side of his body. He has also developed pneumonia.

Ronnie & Angie Turnmire as they travel back home from visiting with Jesse in Colorado.

Dawn Shimp's sister, Tidi & her husband Larry Maier, have both tested positive for COVID. Larry has been hospitalized.

Pray for the school systems (in and out of Johnson County) and the safety of all those involved. Teachers and students continue to get sick making it difficult to staff the classrooms properly. This results in the schools having to switch back to virtual learning which may put a strain on families and resources.

Pray for those working the front lines. COVID numbers continue to rise and many people are there to help those who fall ill.

Pray for those that do contact COVID or other illnesses. Pray for the family of those individuals as well. Hospitals are limiting and sometimes not allowing visitors to see their loved ones. This makes going through times like this extremely difficult.
