## Communication

Email carriers are making it more difficult to send out bulk emails. It is easier to communicate via social media & our church app. If you have a smartphone and have not downloaded the church app we encourage you to do so. Visit your App Store, download the ShareFaith App. Once downloaded, search & select Whiteland Church of Christ. Prayer requests, church calendar, audio sermons, recorded worship services and more can be found on the app. Prayer requests shared via the website or app will also be shared to Facebook. For questions with the app, please contact us at [info@whitelandchurchofchrist.com](mailto:info@whitelandchurchofchrist.com).

We will be not taking up an offering during the worship service this morning. You may place your offering in the collection plates just outside the auditorium as you exit this morning. You may also give securely online or by using the church app.
