Church Humor

"Out of the Mouths of Babes"

In Sunday school, they were teaching the children how God created everything, including human beings. Little Tommy seemed especially interested when they told him how Eve was created out of one of Adam's ribs.

Later in the week, his mother noticed him lying on the floor holding his side as if he was ill. She asked, "Tommy, what's the matter?" Little Tommy responded, "I have a pain in my side. I think I'm having a wife."
