Prayer Requests

Ronnie Hewitt continues to recover from his shoulder surgery.

Briar Day, infant daughter of Jacob & Sarah, was diagnosed with an anterior polar cataract. She is recovering from surgery this past week and has a follow-up appointment this week.

Sonya Hewitt is scheduled for eye surgery on December 4th.

Lonnie Hewitt is scheduled for hip surgery on January 8th.

Randy Sowder has COVID.

Dan Scales, Lavana Tichenor's brother, was taken to Community South with the same symptoms as before. He was discharged from the hospital about three weeks ago after being diagnosed with sepsis. Tests indicated he now has strep. In addition to their illnesses, Dan and Debbie are still in the process of rebuilding their home that was destroyed by the tornado last spring. Please pray that they will be able to get something worked out with their insurance company to continue providing a place to live while they rebuild.

Kayla Stanton will be having a hysterectomy on December 14th.
